

Amazing Mystery

Your dreams are they the same as mine?
Or is this life just a slow goodbye?
Deep within each person there lies amazing mystery.
Let that mystery wash over me.

Your dreams are they the same as mine?
Or is this life just a slow goodbye?
Deep within each person there lies amazing mystery.
Let that mystery wash over me.

Sometimes it seems our burdens are too much for us to bear.
But if we join our hearts in love that mystery, we can share.

Your dreams are they the same as mine?
Or is this life just a slow goodbye?
Deep within each person there lies amazing mystery.
Let that mystery wash over me, wash over me,
wash over me, wash over me.
